

# What is your favorite thing about Heptonstall School?

I like all the different lessons that we get to do in the afternoon

I like getting to see my teachers and my friends.

I like doing English because I get to use exciting words and write stories.

I like that I am encouraged to be myself.

I like that all of my teachers are there to help me when I need it.

My friends at school always make me feel happy.

I love that everyone in the school is so kind and caring.

I like how much freedom I have to be creative in art.

I find English really fun because I can express myself using words.

My favourite thing to learn about is Math, I love to solve problems!

I like that I have such a wide range of books to choose from on the bookshelves.

I love to be creative in DT, I love to design and make things!

I like the climbing frame because I can have fun whilst exercising!
