

Medium Term Plan: Summer 2 2025 - 2026

	Week 1 8/6/26	Week 2 15/6/26	Week 3 22/6/26	Week 4 29/6/26	Week 5 6/7/26	Week 6 13/7/26
English including reading and SPaG	The butterfly Lion - diary	The Butterfly Lion – Balanced argument		The Butterfly Lion – Non chronological report		
Reading WCR Fred's	Theme – Seaside Weekly comprehension focusing on VIPERS	Theme – Refugees Weekly comprehension focusing on VIPERS	Theme – Pride Weekly comprehension focusing on VIPERS	Theme – Malawi Weekly comprehension focusing on VIPERS	Theme – Space Weekly comprehension focusing on VIPERS	Theme – Friendship Weekly comprehension focusing on VIPERS
SPaG Discrete lesson	Revision					
Spelling Spelling Shed	<u>Challenge words</u> afterwards, amateur, ancient, changeable, deceive, doubt, knight, referring, sincere, immediate	<u>Revision words</u> accompany, achieve, advice, affect, aisle, bought, cereal, definitely, guessed, though	<u>Revision words</u> conscious, constant, controversy, comfortably, earlier, elegance, fictitious, frequent, manageable, understandable	<u>Revision words</u> ascend, awkward, conscience, dough, probably, receive, species, thought, transferring, writer	<u>Revision words</u> aloud, community, complement, desert, device, heard, muscle, precede, principle, stationary	
Maths WRMH	<u>Converting measures</u> kilograms & kilometres, millimetres & millilitres, convert units of length, miles & kilometres, imperial measures, convert units of time, calculate with timetables		<u>Revision and consolidation</u> Telling the time using analogue and digital clocks, 12- and 24-hour time, time problems, fraction calculation methods, percentage calculation methods, four operations and word problems			
Science	<p align="center"><u>Forces</u></p> <ul style="list-style-type: none"> Can explain the effects of gravity acting on an unsupported object. Can give examples of friction, water resistance and air resistance. Can give examples of the benefits of high/low friction, water resistance and air resistance. <ul style="list-style-type: none"> Can demonstrate how pulleys, levers and gears work. Know that these systems can make lifting heavy objects easier. Understand different forces and can apply this knowledge across different subjects e.g. geography. 					
History						
Geography	<p align="center"><u>Biomes</u></p> <ul style="list-style-type: none"> Identify the position and significance of latitude, longitude Equator, the hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle the Greenwich Meridian and time zones relating these to their climate, biomes, seasons and vegetation, using the eight points of a compass, maps, symbols and keys <ul style="list-style-type: none"> Understand how climate and vegetation are connected in biomes (eg the tropical rainforest and the desert) <ul style="list-style-type: none"> Describe different biomes and how plants and animals are adapted to them Explain some ways biomes (including the oceans) are valuable, why they are under threat and how they can be protected 					
Art Access art	<p align="center"><u>Shadow puppets</u></p> <ul style="list-style-type: none"> Develop Mark Making <ul style="list-style-type: none"> Make visual notes to capture, consolidate and reflect upon the artists studied Understand that artists reinvent. Understand that as artists, we can take the work of others and re-form it to suit us. That we can be inspired by the past and make things for the future <ul style="list-style-type: none"> Combine making with drawing skills to create shadow puppets using cut and constructed lines, shapes and forms from a variety of materials. Working collaboratively to perform a simple show sharing a narrative which has meaning to you 					
DT Kapow	<p align="center"><u>Automata animals</u></p> <ul style="list-style-type: none"> Experimenting with a range of cams, creating a design for an automata toy based on a choice of cam to create a desired movement. <ul style="list-style-type: none"> Understanding how linkages change the direction of a force. <ul style="list-style-type: none"> Making things move at the same time. Understanding and drawing cross-sectional diagrams to show the inner-workings of my design. <ul style="list-style-type: none"> Measuring, marking and checking the accuracy of the jelutong and dowel pieces required. Measuring, marking and cutting components accurately using a ruler and scissors. <ul style="list-style-type: none"> Assembling components accurately to make a stable frame. Understanding that for the frame to function effectively the components must be cut accurately and the joints of the frame secured at right angles. <ul style="list-style-type: none"> Selecting appropriate materials based on the materials being joined and the speed at which the glue needs to dry/set. <ul style="list-style-type: none"> To understand that the mechanism in an automata uses a system of cams, axles and followers. <ul style="list-style-type: none"> To understand that different shaped cams produce different outputs. To know that an automata is a hand powered mechanical toy. To know that a cross-sectional diagram shows the inner workings of a product. <ul style="list-style-type: none"> To understand how to use a bench hook and saw safely. To know that a set square can be used to help mark 90° angles. 					
PE PE Planning	<u>Rounders</u>			<u>Forest school</u>		
	<ul style="list-style-type: none"> I know that taking up positions in a game will impact on a teams success. I know what is needed to score more runs. I know when tactics will help the situation and outwit the opponents. I know how to bowl overarm (increasing accuracy, speed, and distance). I know how to hit the ball with purpose. I know how to bowl at different speeds. I know how to work well as part of a team. I know how to participate in competitive games. I know how to perform skills such as retrieving and intercepting at speed. 			With Oak apples		
RE Local agreed syllabus	<p align="center"><u>6.4 How do Jews remember the kings and prophets on life and worship?</u></p> <ul style="list-style-type: none"> Explain key facts about Judaism Evaluate the importance and significance of David to Jewish people including his symbol and the founding of Jerusalem <ul style="list-style-type: none"> Respond to psalms and write own versions <ul style="list-style-type: none"> Explain what a prophet is Describe what a prophet does Give reasons why people may not follow the message of the prophets <ul style="list-style-type: none"> Describe the story of Esther Give reasons why and how Purim is celebrated <ul style="list-style-type: none"> Understand the symbolism of Purim Discover how Jews celebrate the new year and Hannukah festivals <ul style="list-style-type: none"> Describe and give reasons for the symbolism used in festivals <ul style="list-style-type: none"> Describe, evaluate and compare key promises Explain and justify their own values and beliefs 					
PSHE Jigsaw	<p align="center"><u>Changing me</u></p> <ul style="list-style-type: none"> I am aware of my own self-image and how my body image fits into that I can explain how girls' and boys' bodies change during puberty and understand the importance of looking after yourself physically and emotionally <ul style="list-style-type: none"> I can describe how a baby develops from conception through the nine months of pregnancy, and how it is born I understand how being physically attracted to someone changes the nature of the relationship and what that might mean about having a girlfriend/boyfriend 					

	<ul style="list-style-type: none"> I am aware of the importance of a positive self-esteem and what I can do to develop it I can identify what I am looking forward to and what worries me about the transition to secondary school /or moving to my next class.
Computing Purple Mash	<p style="text-align: center;"><u>Spreadsheets 6</u></p> <ul style="list-style-type: none"> To understand and use basic formatting in Google Sheets. To develop skills in using basic functions in Google Sheets <ul style="list-style-type: none"> Create and format charts in Google Sheets. To sort and filter data within a spreadsheet. To understand and use advanced functions in Google Sheets. To combine Google Sheets skills to create an effective spreadsheet for a given purpose.
MFL Twinkl Planit	<p style="text-align: center;"><u>More to explore</u></p> <ul style="list-style-type: none"> To pronounce key sounds in French correctly. To understand some key aspects of French stories, songs, poems, rhymes and culture. <ul style="list-style-type: none"> To understand and use a range of vocabulary about different topics. To listen attentively and respond appropriately when someone speaks in French. <ul style="list-style-type: none"> To feel more confident in my French literacy skills. To feel more confident in my French literacy skills. To understand and use a range of French grammatical structures.
