

Oak Class Summer 2 Homework grid

Children are encouraged to choose at least 2 of the activities from the grid to complete this half term.

Dojos will be awarded for all homework completed.

This homework should be brought into school by Friday 10th July.

Weekly spellings and times tables are set on Ed Shed and daily reading, at home, is also encouraged.

What is the tundra is like? Where is tundra found? What plants and animals live in the tundra? Present your work how you like	Create a wordsearch that contains key geographical vocabulary about biomes and climate zones	What is the savannah like? Where is the savannah found? What plants and animals live in the savannah? Present your work how you like	Create and make your own shadow puppets
Choose a biome and create a detailed fact file about it. Include maps and pictures	How are biomes threatened by climate change? How are biomes threatened by human activity? Present your work how you like		Climate zones – what are they and why do they matter? Present your work how you like
How many climate zones are there, what are they and where are they found? Create a map and label it with information	Create an information poster all about forces. Include different kinds of forces and pictures	Create an A to Z all about biomes, ecosystems and climate zones	Create different hand shadow puppets – take photos or video yourself doing them
